Our United States Air Force Academy Chaplain Corps teams at the Cadet and Community Center Chapels are honored to serve and assist you with exercising your freedom of religious expression. We are grateful for the genuine environment of religious respect here at USAFA.

Your contributions to the Chaplain Corps mission and your generosity of time, talent and treasure — on and off-duty — are truly amazing manifestations of what makes our religious life vibrant and our Air Force family great.

This consolidated schedule is intended to assist you as you plan for the holidays. We would be honored by your presence at any of the various Chapel activities and events as you are able.

May this holy season bring you, your families and loved ones, much joy and peace.
