

# CADET WING MEDIA CLASS OF 2015

## BASIC CADET TRAINING YEARBOOK AND VIDEO ORDER FORM

The first few days at the Academy tests a new cadet's endurance, both physically and mentally. It's called Basic Cadet Training, or BCT. Cadets call it "Beast" because it's like getting devoured by a wild animal. Every day they hit the ground running, from early morning until late evening. Upper-class cadets, under the supervision of active duty military personnel, lead basics through BCT, helping make the transition from a civilian to an Air Force Academy cadet.

Each summer, the BCT yearbook gives fourth-class cadets and their families the opportunity to look back with pride and remember their hard work and accomplishments. A "Family, Friends, and Supporters" (FFS) section is included in the back of the yearbook. This is your opportunity to congratulate your basic and include a message to let them know how proud you are of them completing this milestone. One copy of the yearbook is automatically distributed to each basic cadet who completes BCT; however, if you would like to purchase any additional yearbooks, please complete the form below and submit it to our office.

Cadet Wing Media offers a professionally produced DVD for BCT. Highlights include, in-processing day, field day, march out, Jacks Valley, Acceptance Day and squadron photo day. All cadets who attend photo day will be guaranteed to be seen in the video. The BCT video is the only product of its type sanctioned and endorsed by the U.S. Air Force Academy.
