Graduate Community – from appointment

Who are we?

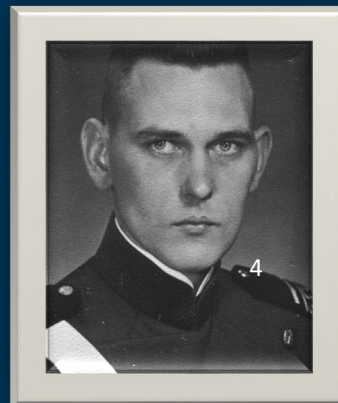

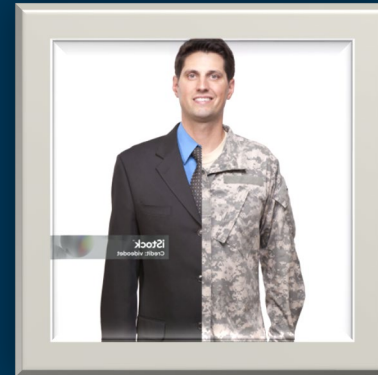

- Formerly the Association of Graduates, and the Air Force Academy Foundation. We came together as one organization in 2023.
- We keep two different board of directors. But work together under one roof, with one CEO.
- Together, our mission is to **support the Academy, serve our graduates** and **preserve the heritage** of the institution. Our shared vision is to support the Air Force Academy's mission.
