The following notes are for POCs responsible for coordinating events at Polaris Hall.

External Events: HQ USAFA/A3O is responsible to de-conflict all major events on USAFA. All civilian organizations and external federal/non federal entities (NFE) that desire to host significant non-institutional USAFA events will require approval/vetting through the USAFA HQ/A3O office. In addition to coordination with USAFA/A3O, external 'For Profit' organizations must also coordinate with USAFA/A4 (719.333.8718). In some instances, a facility use fee and cost for utilities will be levied by the 10th Civil Engineering Squadron (CES).

Cordon Hours: USAFA's established cordon (visitor) hours are from 0530 to 2200. If the event requires guests to be on the installation outside of cordon hours the POC will be responsible to submit an Entry Authorization List (EAL) through the 10th security Forces Squadron (SFS).

Distinguished Visitors (DVs): If General Officers, Flag Officers, and /or civilian equivalents are expected to be in attendance during your event you must coordinate with the USAFA HQ Protocol Office (DSP) by emailing dsp.support@usafa.edu. This does not imply support for these officers, but is for HQ USAFA's situational awareness.

DVParking: Requests to use Arnold Hall parking can be sent to ArnoldHall@afacademy.af.edu or by calling 719.333.2710/2750. Note, access to some areas are restricted. Additional coordination is needed to park in the Arnold Hall circle or lower Harmon Hall parking lot.

Catering: The POC or designated representative is responsible for contracting with the caterer. If the caterer is not located on USAFA, the POC must coordinate access to USAFA with the 10th Security Forces Squadron. The POC must also coordinate access through ECP-3 ('Charlie 3') to park in the loading zone in front of Arnold Hall.

- **Alcohol Policy:** IAW AFI 34-219, *Alcohol Beverage Program*, Para 2.1.8, if alcohol is being served the POC must use the 10th Force Support Squadron (FSS) and must also coordinate approval through the installation commander or designated authority (10 MSG/CC). Following approval, the POC should contact the Falcon Club at 719.333.8189 or HAPS Bar at 719.333.3908.
