USAF Academy CO 80840

Ladies and Gentlemen

We are continuing to monitor the pandemic situation very closely as the United States Air Force Academy (USAFA) prepares to welcome the Class of 2024. Although we have had to cancel and postpone some of our programming, In-processing Day (I-Day) and Basic Cadet Training (BCT) will start as scheduled, 25 Jun 2020.

The institution is finalizing the details for I-Day and BCT and will communicate updates as they become available. Rest assured, USAFA's planning includes taking every precaution to protect the health and safety of incoming appointees, the Cadet Wing, and the entire USAFA community. USAFA will closely follow Center for Disease Control protocols for preventing the spread of COVID-19.

We ask appointees to continue to check your portal a couple times a week and review the information in your Appointee Kit on traveling to and preparing for In-processing. We ask appointees to make arrangements to arrive in the USAFA local area the day before I-Day. Specific reporting instructions will be communicated directly to appointees through your portal. If you are having any challenges due to COVID-19, please reach out to your Admissions counselor as soon as possible so they can assist you.

Please continue to check <https://www.usafa.edu/news/coronavirus/> for information on the status of USAFA. Thank you all for your patience during these uncertain times. Be safe, stay healthy and we look forward to seeing you in the near future.

Sincerely
