

PARENT/GUARDIAN INFORMATION RELEASE

FOR PARENTS/GUARDIANS OF USAFA CADETS AND CADET CANDIDATES

Your USAFA Parent Liaison Team is here to support you during your cadet's journey. We are the link between USAFA and the Parent Community. Our contact information is below:

HQ USAFA/CM (Marie Nikovits and Carrie Clancy)

e-mail: USAFA.Parent.liaison@afacademy.af.edu

USAFA Parents' Clubs are spread across the country, Guam, and Europe and are another valuable resource of information and support for the parent community. Each club is "owned and operated" by parents who have cadets enrolled at USAFA.

You can find your closest parents' club at: <https://www.usafa.edu/parents/parent-clubs-spirit-committees/>

Parents' clubs exist to support the *parents* of USAFA cadets. The USAFA experience is unique and unlike traditional universities. These organizations provide opportunities to ask questions, voice opinions and grow personal networks. Many clubs have orientations for the appointees and parents prior to in-processing. Joining a club is completely voluntary. Class Spirit Committees are comprised of parents of cadets and are designed to support the class as a whole through each milestone. The USAFA Association of Graduates (AOG) is your alumni association providing valuable services and resources while your cadet is at the Academy or Prep School.

By filling out, signing and submitting this form, you agree to give us permission to share your contact information with USAFA Parents' Clubs, Spirit Committees and USAFA AOG so they may contact you with membership information and local parent event information. This information will be stored by The USAFA Parents' Liaison Team and shared with USAFA Parents' Clubs and Spirit Committees and the USAFA AOG during the duration of your cadet's time at USAFA.
