### MISSION:

Execute today's research in order to develop leaders for tomorrow's battlespace. The USAFA Dean of Faculty Research Office (DFQR) exists to support researchers as they develop our nation's future leaders. The DFQR does this by enhancing cadet education, providing DoD warfighter support, opportunities for faculty development, and partnership for technology transfer.

**TECH TRANSFER AND AGREEMENTS:** Provides guidance on research partnerships and on processes involving invention disclosure documents, patents, license agreements, commercialization, and more. Assists with various agreements necessary for conducting research at USAFA.
