Academic disciplines include: Arts and Letters – white; Economics – copper; Education – light blue; English – white; Engineering – orange; Fine Arts – brown; Law – purple; Philosophy – dark blue; Science – golden yellow.

HAT TOSS

As the final names in Squadron 32 are called, children 7 to 10 years of age may gather just east of the scoreboard on the south end of the stadium where they will be escorted to the stadium floor for the hat toss. Each child will be allowed to take one hat and will be escorted back to east of the scoreboard on the south end. Parents are requested to wait for their children at that location to be picked up afterward.

USAF THUNDERBIRDS TEAM AERIAL DEMONSTRATION

This aerial demonstration is conducted in honor of the graduating Class of 2025. It exhibits the technical and professional capabilities of the United States Air Force. The team is comprised of selected pilots assigned to the Air Combat Command and demonstrates the coordination, discipline, and flying ability that combat-capable pilots require to fulfill their vital role in our nation's defense.

CEREMONY CONCLUSION

The audience is expected to remain in place until the stadium gates open following the conclusion of the Thunderbirds performance.

Federal Aviation Administration regulations prohibit spectators from being within 1500 feet of the flight path during acrobatic aerial demonstrations. Therefore, for your own safety and to comply with FAA regulations, NO ONE will be permitted to leave the stadium after the graduation ceremony until the completion of the Thunderbirds demonstration.

Air Force Song

Off we go into the wild blue yonder,
Climbing high into the sun

Here they come zooming to meet our thunder,
At 'em now, Give 'em the gun!

Down we dive, spouting our flame from under,
Off with one helluva roar!

We live in fame or go down in flame. Hey!
Nothing'll stop the U.S. Air Force!

Space Force Song

We're the mighty watchful eye,
Guardians beyond the blue.

The invisible front line,
Warfighters brave and true.

Boldly reaching into space,
There's no limit to our sky.

Standing guard both night and day,
We're the Space Force from on high!

Academic Mace

The academic mace was first used in the 14th century and draws inspiration from the club of Hercules. The Dean carries the Academy's mace during the faculty processional.

The globe at the bottom of the mace represents the world from which our cadets come. It bears the phrase, "Expect great things," which was the challenge issued by the Air Force Chief of Staff General Nathan Twining to the first entering class of the U.S. Air Force Academy after their arrival at Lowry Air Force Base, Colorado, on July 11, 1955.

The four contrails emanating from the globe symbolize the trajectory of cadets as they prepare for the future. They first pass through the ring of Air Force core values—Integrity, Service, and Excellence; the lightning bolts on the ring signify athletic excellence.

The second ring symbolizes the ideals of Athens focused on learning and arts; the stars represent academic excellence.

The third ring embodies the warrior spirit of Sparta; the wreaths denote military excellence. Rising from the final ring are four airfoils that characterize today's final launch of our newest leaders of the highest character.
