## Oath of Office

I, \_\_\_\_\_,

the United States against all enemies,

foreign and domestic; that I will bear true

faith and allegiance to the same; that I

## Air Force Song

---

Off we go into the wild blue yonder,  
Climbing high into the sun

Here they come zooming to meet our thunder,  
At 'em now, Give 'em the gun!

Down we dive, spouting our flame from under,  
Off with one helluva roar!

We live in fame or go down in flame. Hey!  
Nothing'll stop the U.S. Air Force!

---

## Space Force Song

---

We're the mighty watchful eye,  
Guardians beyond the blue.

The invisible front line,  
Warfighters brave and true.

Boldly reaching into space,  
There's no limit to our sky.

Standing guard both night and day,  
We're the Space Force from on high!

# Academic Mace

The academic mace was first used in the 14th century and draws inspiration from the club of Hercules. The Dean carries the Academy's mace during the faculty processional.

**The globe** at the bottom of the mace represents the world from which our cadets come. It bears the phrase, "Expect great things," which was the challenge issued by the Air Force Chief of Staff General Nathan Twining to the first entering class of the U.S. Air Force Academy after their arrival at Lowry Air Force Base, Colorado, on July 11, 1955.

**The four contrails** emanating from the globe symbolize the trajectory of cadets as they prepare for the future. They first pass through the ring of Air Force core values—Integrity, Service, and Excellence; the lightning bolts on the ring signify athletic excellence.

**The second ring** symbolizes the ideals of Athens focused on learning and arts; the stars represent academic excellence.

**The third ring** embodies the warrior spirit of Sparta; the wreaths denote military excellence. Rising from the final ring are four airfoils that characterize today's final launch of our newest leaders of the highest character.
